

Falkirk Baptist Church

ROLL OF HONOUR

(SMR1101)

64 men from the congregation joined up. One of the deacons, George Donaldson, was killed in Palestine in November 1917. The Roll of Honour (20th list) printed in the Scottish Baptist Magazine in 1918 gives the name of 9 men from Falkirk Baptist Church who died. In January 1919 discussions started on a suitable war memorial and two brass plates were considered – one bearing the names of those who had served and the other the names of those killed. A memorial committee was set up in 1923, but no plates were produced.
